

TGS PRE-SUMMER CAMP JUNE 23-27

JK Summer Fun Camp

Offered for 3-5 year olds

Only 8 spaces available

From June 23 to 27th the Junior Kindergarten programme at Glenfir will be offering a one-week summer camp, facilitated by Ms. Tina Bootsma. The program will run from 9 am to noon.

This week will be an outdoor play time based on a water theme. Water tables, tubs, and pools will be played in. Children will explore water creations such as water colour paints, sand, soap, and clay. Special activities will include sand castle building at a local beach, visit to the spray park, slipping and sliding in the back playfield, and lots of gooey, messy hands-on creations such as paper mache, and feet painting!!

Please make sure your child arrives at camp wearing sunscreen, a hat and appropriate outdoor play clothes. Each day the children should bring a water bottle, fruit, and other items which could be put together for a sharing snack.

This class will be run by one teacher only, so it is a requirement that all children attending must be toilet trained.

Cost: \$100.00
