Parent Information Meeting

Tuesday
February 19th 2008
7:00 p.m.
The Glenfir School

The informational meeting is to discuss the programme in detail and to address many of the questions that will undoubtedly occur to you as you consider our proposed changes to the programme.

Please ensure that at least one parent per family attends this information meeting. We realize it may be difficult to come out on a week night, but we have arranged to have supervised games in the gym during the meeting if you need to bring your child.

Tea, coffee and cookies will be served, and we will have an informational DVD playing about the S.A.L.T.S. programme.

Many Thanks

Thank you to Mrs. Stella Davie and Mrs. Linda Theodosakis for donating various learning items to the primary classrooms. We greatly appreciate your generosity!

Rock Climbing

All completed Rock Climbing permission slips must be returned by Tuesday, February 19th. Thank you for your cooperation.

Missing

One Gb memory stick, blue with grey string, belonging to Miriam Bambey. Please pass into the office or back to Miriam directly. Thank you for your help.
