

Price comparisons that a Glenfir Family conducted:

26 x 36	200 bags Regular Strength Bio Bags (.18 cents ea)	\$ 35.00
----------------	--	-----------------

Example of Regular store price garbage bags 26 x 32.5 sizes @ 40 regular strength costs .18 cents ea

Some cheaper brands 26 x 32.5 size which tend to rip easily costs from .09 cents to .13 cents ea

The bio bag regular strength bag is a little bigger - and costs are comparable with the bio bag coming out on top.

20 x 22	1000 bags Regular Strength Bio Bags (.05cents ea)	\$ 49.00

Example of Regular store price 20 x 21 kitchen bags are .08 cents to .12 cents ea

Bio-bags again come out on top.

Not only families would like this product but businesses as well. There are larger size bags for businesses too.

From Company:

The prices for the bio-bags include all taxes.
Each box of bags would net the
School \$8.00 per case
Please call with any questions you might have.
